MC Services AG hosts press lounge of German Equity Forum 2018

Munich and Dusseldorf, November 13, 2018: MC Services AG, the international Public Relations and Investor Relations firm is, once again, sponsoring the “Deutsches Eigenkapitalforum” (German Equity Forum) and will host the event’s press lounge. The Forum will be held in Frankfurt am Main, November 26-28, 2018.

Deutsches Eigenkapitalforum, which is organized by the Deutsche Boerse, is Europe’s largest independent capital markets meeting, which this year is reporting record figures with more than 250 registered companies and an expected 3,500 1 to 1 meetings. As a matching platform, the forum connects capital-seeking German and international companies from all industry sectors with institutional investors and analysts.

To establish new contacts and to deepen existing liaisons between the press, companies and financial community, MC Services AG invites financial and economic journalists to the press lounge and organizes a smooth flow of the schedule for all participants.

“For the sixth year now, we are proud to have the confidence of the Deutsche Boerse, as a partner to the Eigenkapitalforum,” said Raimund Gabriel, Founder and Managing Partner of MC Services AG. “As the host of the Eigenkapitalforum press lounge, it is important for MC Services to offer thorough organization and a pleasant environment for discussions between reporters and companies. The steady increase in the number of press lounge visitors and interviews confirms the real benefits of the MC Services press lounge.”

For more than 20 years, the Deutsches Eigenkapitalforum has hosted company representatives of all industries and facilitated meetings with the financial community. The Forum will take place at the Sheraton Frankfurt Airport Hotel and Conference Center in Frankfurt am Main on November 26-28, 2018. The three-day program offers panels on the latest capital markets topics, 1 to 1 meetings and company presentations. On Tuesday and Wednesday, captivating young private companies from a whole range of sectors will deliver presentations to investors and reporters. As in previous years, the presentations of the companies being listed in the Venture Network of the Deutsche Boerse will be accessible to all participants of the conference.

Further information on the program and venue can be found on the event website (www.eigenkapitalforum.com) or on the MC Services [website](#).
