### MC Services AG is a Gold Partner for 21st German Equity Forum 2019 and Host of Press Lounge

**Munich and Dusseldorf, November 19, 2019.** MC Services AG, the international public relations and investor relations firm, is a Gold Partner for the “Deutsches Eigenkapitalforum” (German Equity Forum) and will once again host the forum’s press lounge. The conference, which is organized by the Deutsche Boerse, will be held November 25-27, 2019 at the Sheraton Frankfurt Airport Hotel and Conference Center, Frankfurt am Main. The more than 250 registered companies will participate in about 4,500 1-on-1 meetings – a new record.

The forum serves as a platform to connect capital-seeking German and international companies from all industry sectors with institutional investors and analysts, as well as with private equity investors and venture capitalists. In addition, MC Services invites select journalists to the forum’s press lounge, ensures a smooth scheduling process for all participants and connects journalists and companies.

“The German Equity Forum has become an indispensable capital market conference in Europe,” said Raimund Gabriel, Founder and Managing Partner of MC Services AG. “We are very happy to once again host the MC Services press lounge and wish companies, investors, analysts and journalists inspiring conversations.”

For more than 20 years, listed companies and the financial community have met at the German Equity Forum in Frankfurt. The three-day program offers panels on the latest capital markets topics, 1-on-1 meetings with investors and media, as well as company presentations. Additionally, on Tuesday and Wednesday, privately held companies will present to investors. Presentations by companies listed in the Venture Network of the Deutsche Boerse will be accessible to all conference participants.
