

EXPERTS IN FINANCIAL COMMUNICATIONS

> About us

MC Services AG is an international Investor Relations (IR) and Public Relations (PR) firm specializing in life sciences and financial communications. Established for many years as a link between industry and the financial markets, MC Services provides comprehensive services in IR, PR, financial reporting as well as corporate transactions. We leverage our extensive international network in the financial, media and life sciences communities for the benefit of our clients. Our goal is to position our clients and their successes in the German and international financial and trade media and to advise and promote the equity stories of our clients with our dedicated IR approaches. We offer challenging tasks in a growing international team where your skills will be valued and rewarded.

Join our team in Munich:

Trainee for Public and Investor Relations (m/f)
